

WEED SCIENCE SOCIETY OF NORTH CAROLINA

Proceedings of the 28th annual meeting of the
Weed Science Society of North Carolina
March 11, 2010

TABLE OF CONTENTS

Opening Remarks - Loren Fisher, President, WSSNC

Guest Speakers

1. *Environmental Fate as a Regulatory Science* – Dr. Ralph Warren, BASF
2. *Federal Regulatory Issues Affecting Weed Science* – Dr. Harold Coble, USDA, Office of Pest Management Policy
3. *Status of NPDES Permits for Pesticide Applications Based on Decision by the 6th Circuit Court of Appeals* – Dr. Henry Wade, NCDA, Environmental Programs
4. *Witchweed in NC: the Past, Present, and Future* - Mr. Rick Iverson, NCDA, Plant Protection Section
5. *Contemporary Issues Facing Weed Science* - Dr. Fred Yelverton, NCSU, Department of Crop Science
6. *Management of Herbicide Resistant Weeds* - Dr. Scott Hagood, VA Tech, Department of Plant Pathology, Physiology, and Weed Science
7. *Current Weed Management Issues: A Consultant's Perspective* - Mr. Billy McLawhorn, McLawhorn Crop Services

Student Presentations

8. Absorption and Translocation of ¹⁴C-glyphosate in Beach Vitex -Ms. Sarah True, NCSU, Department of Crop Science
9. *Monoecious Hydrilla Tuber Dynamics in North Carolina* - Mr. Jason Nawrocki, NCSU, Department of Crop Science
10. *Effect of Ambient Moisture on Aminocyclopyrachlor Efficacy* - Mr. Dustin Lewis, NCSU, Department of Crop Science
11. *Bell Pepper Tolerance and Weed Control with Imazosulfuron and Thifensulfuron* - Mr. Peter Dittmar, NCSU, Department of Crop Science

12. *Efficacy of Glyphosate as Influenced by Water Quality and Co-Applied Agrichemicals* -
Mr. Gurinderbir Chahal, NCSU, Department of Crop Science

Crop Science Seminar – Dr. Alan York, NCSU, Department of Crop Science
“Four Weeds of Most Concern”

Board Meeting

Minutes – John Harden, Secretary/Treasurer

The business meeting was called to order by President Loren Fisher.

Adam Hixson presented the student awards. Award winners were:

Stephen Myers; 1st place PhD Poster:

Palmer amaranth (*Amaranthus palmeri*) Interference in Sweetpotato. .

Dustin Lewis; 2nd place PhD Poster:

Effect of Simulated Aminocyclopyrachlor Drift on Flue-Cured Tobacco..

Trevor Israel: 1st place MS Poster:

An Evaluation of Aminocyclopyrachlor of Aquatic Weed Control.

Peter Eure: 2nd place MS Poster:

Evaluation of Herbicide Efficacy in Situations Where Spray Application is Delayed

Peter Dittmar: Outstanding PhD Student.

Justin Nawrocki: Outstanding MS Student

Endowment Report: Tom Monaco

\$15,000 balance

\$95 donation March 2010

Due to the Market Status – no student award was made for 2010

Morgan Stanley Report: David Jordan

\$25,000 Balance

Treasure Report: John Harden

Cost of the 2009 meeting was \$2,014.69. Income from membership was \$1,966.65.

Balance of January 30th was \$7404.29.

There was no Old Business.

New Business:

New Officers:

Election results were reported.

Vice President:

Adam Hixson

Executive Director (Industry):

Glenn Ferrand

Student Representative:

Sarah True

2010 Officers for Weed Science Society of North Carolina are

President:

Travis Gannon

Vice President:

Adam Hixson

Past President:

Loren Fisher

Secretary / Treasurer:

John Harden

Executive Director (Academia):

Rick Seagroves

Executive Director (At-Large):	Wick Wickliffe
Executive Director (Industry):	Glenn Ferrand
Executive Director Student:	Sarah True
Editor:	Glenn Oliver
Website Coordinator:	Rick Seagroves

Meeting was adjourned:

Awards and Contests – Adam Hixson

Outstanding Ph. D. student – Mr. Peter Dittmar

Outstanding MS student – Mr. Justin Nawrocki

First Place Ph. D. Poster – Mr. Stephen Myers

Second Place Ph. D. Poster – Mr. Dustin Lewis

First Place MS Poster – Mr. Trevor Israel

Second Place MS Poster – Mr. Peter Eure

Officers and Membership

Newly Elected Officers:

Vice President – Mr. Adam Hixson

Executive Director (Industry) – Mr. Glenn Ferrand

Student Representative – Ms. Sarah True
